

Group Volunteers

Children's Book Project

We welcome groups of up to 20 volunteers for a full or half day session at our premises in London W3, Leeds LS11 and Birmingham B25.

A great opportunity to spend time together in an informal environment and to make a significant difference.

Your session will begin with a brief charity introduction before you work together to sort, curate and box donated books to be gifted to children throughout your region. We ask groups for a donation per head (£35 in London and £30 elsewhere) with a minimum donation of £280 in London). This includes a presentation about our work.

The Queen's Award for Voluntary Service

The value of our volunteers

Volunteers underpin everything we do. In 2020 we won a Queen's Award for Voluntary Service - testament to the importance we place on their role. Join other groups and organisations that have volunteered for us such as *Chelsea Football Club, Disney Corporation, Pernod Ricard, RBKC* and *Innocent.* We'd love to welcome you!

Other ways in which your group can get involved:

- Run a Book Drive: collect books for donation
- Raise funds: have a readathon, online book quiz or other event
- Sponsor a school: nominate a school that you'd like to receive books

"I loved every aspect of it, from the idea of the books we were choosing going directly into a child's hands, finding an old favourite amongst the pile to spending a peaceful couple of hours with others."
Lucy, Volunteer
